

Our Mission and Vision:

Northside Business Association SA is a networking organization open to business owners and business professionals who are looking to build business connections on the northside of San Antonio.

The association meets monthly to help members cultivate business connections, educate and inspire while opening new doors leading to long-term professional relationships.

In addition to uniting businesses, encouraging networking, and opening doors for new opportunities, the Northside Business Association SA strives to give back to the community.

Our youth is our future and by supporting their dreams and encouraging the pursuit of higher education, the Northside Business Association SA will have a hand in developing our future business owners, entrepreneurs and professionals.

Scholarship opportunities will be given to students graduating from Reagan & Johnson High School. As the membership grows, as will the association's outreach and involvement in the community.
